ADDENDUM #7

RFP-2021-DBH-12-RESID

Residential Treatment Services for Children's Behavioral Health

On December 11, 2021, the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting proposals to establish a Residential Treatment Services system of vendors that will provide high-quality behavioral health treatments services in Residential Treatment Settings. The Residential Treatment settings will accommodate referrals from all over State with the goal of quickly stabilizing behaviors and treating symptoms of children and youth with behavioral health needs to enable them to return to a lower level of treatment or family-based settings.

The Department is publishing this addendum to:

- 1. Delete and replace Appendix J, Summary of Vendors Proposed Levels of Care with the 2/26/2021 version.**

See the Document Library for the 2/26/2021 version of Appendix J, found on the RFP's web page: <https://www.dhhs.nh.gov/business/rfp/rfp-2021-dbh-12-resid.htm>

This version corrects the "Choose an item" drop down menu to list the four Tier options.
